

New Location

There are many new changes around ALCC and the most notable one is the addition of a new campus. Our main campus has moved to 1526 Dresden Row on the 8th floor. This is now where the main administration of our school will take place. So if you are looking for Ken or Srini, this is where you will most likely find them. Levels 1 thru 3 have also moved to that campus while Levels 4, 5, and UBP will remain at our Spring Garden Road location. It is great to have more space and a lot of common areas where students can hang out and enjoy their time at school.

Open House

On Wednesday, September 28th, we had an Open House introducing our new location to friends, family, former teachers and students, and colleagues from the community. Many came to help us celebrate this special occasion and it was a great opportunity to socialize with people we don't see very often. Wine, cheese, and good conversations were had by all!

Multicultural Potluck on Saudi National Day

Ziyad

On Friday, September 23rd, we had a tremendous turnout of over 75 people from our school and the community to celebrate multiculturalism and Saudi National Day. This was organized by Keile along with Fatimah, Sue, and Mada (all current UBP students). Many traditional songs and dances were performed by our very own students. We had lots of great food and entertainment from people like Rami in Level 4. A good time was had by all and it lasted hours past the time it was scheduled to end.

Peggy's Cove

Thirty-four students and staff went to Peggy's Cove on a foggy Nova Scotian afternoon on Thursday, September 15th. We kept our fingers crossed as Wayne, our bus driver, drove us along the winding roads that lead to Peggy's Cove. Once there, the rain held off and the sun managed to come out. Everyone enjoyed the picture-perfect view. We took lots of pictures and everyone got to talk with people that they normally don't see during the school day.

New Term

Our new term (Fall II) begins on Tuesday, October 25th at 9 am with an orientation at our Dresden Row campus. This will be a good opportunity for everyone to refresh themselves on the rules, meet your teachers, and pick up your books. The first class begins immediately after the orientation.

Keep your eyes out for more fun-filled activities! We will be going to a Halifax Mooseheads hockey game, taking a tour of Pier 21, and going bowling. If you have any ideas for school activities, please see Keile☺

Welcome!

We would like to take this opportunity to welcome Emily Pan to the ALCC family. Emily comes to us from Vancouver and will be working at our Spring Garden Road campus at the front desk. She speaks Mandarin, Cantonese, and English. Please stop by and say hello!
