Once enrolment documents have been issued, it is the student's obligation to come to the registered program on the firstday and thereafter. The school is required to inform IRCC if the student fails to report to school on the program start date or withdraws from the program.
- 2. Attendance: Records of attendance are kept at the school for all students. Students are expected to attend all classes and a low attendance rate can affect your status as a full- time international student in Canada.
