Why Choose ALCC?

Our goal at ALCC is to help students improve their English skills and prepare for post-secondary education in Canada. Our commitment to students has been the same since we started over two decades ago. All our classes are taught by highly qualified instructors and we have carefully developed our programs to help students reach their English study goals.

Core Programs

University Bridging Program

Completion of our Bridging Program allows students to study at any of our partner universities and colleges in Canada.

English For Academic Purposes

Developing reading, writing, listening and speaking skills while providing the tools required to succeed in an English learning environment.

General English Program

Designed for students who would like to improve their English level but do not have the goal of post-secondary education.
